ORDER OF THE BOARD (by J. C. Marlin):

On October 19, 1992, the parties filed a joint status report stating that the Illinois Environmental Protection Agency was currently evaluating Olin's request to withdraw its Part B Permit application and close the hazardous waste container storage facility under interim status. At that time, the parties expected to reach an agreement and jointly move the Board for an order vacating the Part B Permit and dismissing this action.

On March 8, 1993, the Hearing Officer submitted a letter stating that the parties are in settlement negotiations and that settlement is expected. Also on March 8, 1993, the petitioners filed a waiver of decision deadline until December 1, 1993.

The parties are ordered to file a status report in this matter on or before June 8, 1993, in the event this appeal has not been dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 8<sup>th</sup> day of April, 1993, by a vote of 6-0.
