v.)	PCB 92-69
)	(Enforcement)
PATTERSON GEAR &)	
MACHINE, INC.,)	
)	
Respondent.)	

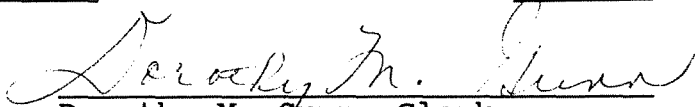

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on its own motion. The last action in this case was the parties' joint and agreed motion for continuance, filed November 25, 1992. Pursuant to that motion, a hearing scheduled for December 2, 1992 was cancelled. In the motion, the parties stated that the matter is very near to settlement or dismissal, that respondent was to produce information which would allow such an outcome, and that complainant would proceed upon receipt of the information. No further communication has been received by the Board.

The Board directs the parties to file a status report within 30 days of the date of this order. Failure to do so will subject this proceeding to dismissal for want of prosecution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22nd day of April, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
