ORDER OF THE BOARD (by J.C. Marlin):

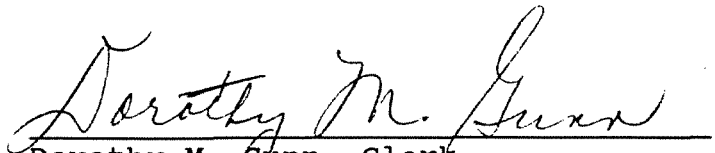

On June 29, 1992, the Agency moved for an extension of time in which to file its record in this matter. The record was originally due to be filed May 8, 1992; the Board granted an extension through June 30, 1992 by order of May 21, 1992. The Agency now seeks an extension through August 31, 1992. The Agency's affidavit asserts that petitioner has agreed to the extension, but provides no reason for seeking a further extension other than that it was "unable to file the record by June 30, 1992."

The Board notes that on May 18, 1992 petitioner filed an open waiver of the Board's decision deadline, citing the pendency of settlement negotiations.

Because the Act requires the Board to consider the Agency record in its deliberations, the Agency's motion for extension of time in which to file its record is granted through August 31, 1992. No further extensions will be granted where no reason for the delay is given.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9th day of July, 1992, by a vote of 6-0.
