ORDER OF THE BOARD (by J. C. Marlin):

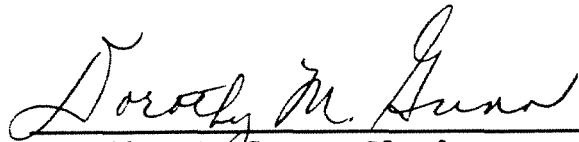

On September 3, 1992, the Agency moved for an extension of time in which to file its record. The record was due on August 31, 1992 and the Agency seeks an extension to October 31, 1992. The Agency states that:

the Agency is engaged in serious negotiations with Ethyl Petroleum. We have spoken more than four times and believe that we will be able to resolve the issues that lead to the permit appeal being filed. Therefore, assembly and submittal of the record at this time would entail the unnecessary use of scarce resources. Petitioner has waived the decision date indefinitely and has agreed to extend the deadline for filing of the record until October 31, 1992.

The motion is granted. The record is due to be filed on or before October 31, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of September, 1992 by a vote of 7-0.
