ORDER OF THE BOARD (by J.C. Marlin):

On September 8, 1992, the Board received a letter from Tim and Charity Heiden. The letter was not specifically addressed to the Board. A slip of paper was stapled to the original which reads:

We have sent this letter to anyone we feel may address this issue in such a way that may help small businesses today and in the future.... and maybe someday our problem will be resolved.

The letter details the underground storage tank replacement incident which gave rise to this appeal. Among other things, the letter states that an appeal was filed, but that "[i]n a telephone conversation with the IEPA it was agreed that we would try to resolve the case before going before the Board". The letter expresses frustration about the fact that the case has not been resolved.

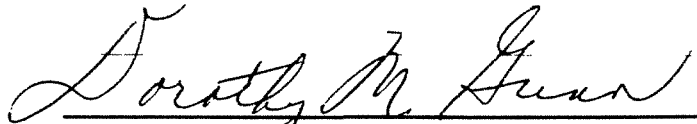

There is no indication that counsel for the parties have received this letter. The Board directs its Clerk to serve them a copy of the Heiden's letter along with this order, and to serve the Heidens a copy of this order via first class mail.

The Board notes that, by order of September 8, 1992, the hearing officer set this matter for hearing on October 13, 1992. The parties are directed to conclude this matter expeditiously.

IT IS SO ORDERED.

0136-0027

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of September, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
