ORDER OF THE BOARD (by B. Forcade):

The Board in its October 1, 1992 order noted that Motor Wheel Corp. (MWC), in its petition, had requested a stay of the contested conditions. The Board also stated that the procedural rules require that a motion to stay must be filed in a separate document. The Board inadvertently overlooked MWC's September 30, 1992 filing of a motion to stay in a separate document. The motion requests a stay of all the conditions set forth in the Agency's August 27, 1992 order and the requirements of 35 Ill. Adm. Code Part 725 until the resolution of the permit review proceeding.

In order to prevent any prejudice, this order will restart the timeclock for the Agency to reply to the Motion to Stay.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 16th day of October, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
