January 7, 1993

IN THE MATTER OF:)

JOINT PETITION OF DETROIT)
DIESEL CORPORATION AND THE)
MANUFACTURERS ASSOCIATION)
FOR ADJUSTED STANDARD FROM)
35 ILL. ADM. 240.141)

AS 92-4
(Adjusted Standard)

ORDER OF THE BOARD (by J. Theodore Meyer):

On December 21, 1992, the Illinois Environmental Protection Agency (Agency) filed a motion requesting the Board to grant it additional time, until January 29, 1993, to respond to Detroit Diesel Corporation's and the Engine Manufacturers Association's (petitioners) second amended petition. The petitioners have not filed a response.

In support of its request, the Agency states that it received the second amended petition on November 14, 1992, and that the Agency's amended response was due on December 14, 1992. The Agency asserts that it needs the extension of time so that its internal policy decision making group can meet to discuss the petition. That group is scheduled to meet on January 5, 1993. The Agency adds that it has discussed the motion with the petitioners' attorney and that the petitioners have no objection to the motion.

The Board hereby grants the Agency's request for additional time. The Agency's response should be received by the Board no later than January 29, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of January, 1993, by a vote of 5-0.
