ORDER OF THE BOARD (by G.T. Girard):

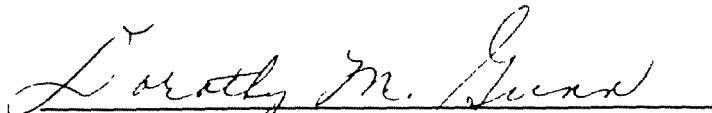

The Board's order of April 23, 1992 granted the parties' request for a stay of these proceedings (to facilitate settlement negotiations) until August 1, 1992, and ordered the filing of a status report on the same day. The Agency filed a status report on July 27, 1992. On July 31, 1992 petitioner filed a supplement to the report accompanied by a waiver of the decision deadline through April 24, 1993.

The parties report that they have been exchanging information, and that a meeting will likely be held in early August as part of the review of the proposed work plan for a column leaching test related to alleged soil contamination concerns. An Agency decision on the work plan is expected on or about September 15, 1992.

The Board on its own motion extends the stay for an additional ninety day period to end November 15, 1992. The Board further directs the parties to file an updated status report to be received by the Board no later than November 15, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 13<sup>th</sup> day of August, 1992, by a vote of 7-0.
