ORDER OF THE BOARD (by G.T. Girard):

On June 15, 1992, Rock-Ola filed a status report as directed by the Board's order of April 9, 1992. Rock-Ola reports that it continues to negotiate site specific standards for clean closure of the property, that the parties will contact the hearing officer by July 12, 1992 to discuss the status of the case, and that the due date for the case is November 27, 1992.

As the parties have arranged a July status call with the hearing officer, the Board will not direct the filing of a further status report but will leave this to the discretion of the hearing officer. However, the Board notes that, based on the present decision date, hearing must be held in September to allow for briefing and Board deliberation and decisionmaking.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
