

ILLINOIS POLLUTION CONTROL BOARD

May 7, 1992

IN THE MATTER OF: )  
 )  
PETITION OF THE STIFFEL COMPANY ) AS 92-1  
FOR ADJUSTED STANDARD FROM ) (Adjusted Standard)  
35 ILL. ADM. CODE PART 218, )  
SUBPART F )

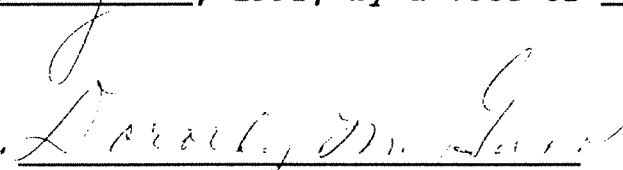

ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board on the Agency's April 23, 1992 motion to extend the Illinois Environmental Protection Agency (Agency) response date by sixty days.<sup>1</sup> Section 106.714(a) of the Board's procedural rules provides that an Agency response to a petition for adjusted standard is due 30 days after the filing of the petition. (35 Ill. Adm. Code 106.714(a).) The Agency asserts that the Stiffel Company has no objection to the extension. The Agency also asserts that Stiffel has a compliance plan pending with the Agency that negates the need for an adjusted standard.

Prior to a determination on the merits of the motion for an extension, however, the Board wishes clarification on a threshold issue. The Board directs the Agency and the Stiffel Company to submit explanations as to why, if a facility is out of compliance, a compliance plan by itself "negates the need" for an adjusted standard or other relief from the Board. The explanations are to be filed with the Board on or before May 15, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 7<sup>th</sup> day of May, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board

<sup>1</sup> The Board notes that the Agency filed an identical "motion instanter" for a sixty-day extension of time within which to respond on April 30, 1992.
