ORDER OF THE BOARD (by J. Theodore Meyer):

On January 11, 1993, petitioner CWM Chemical Services, Inc. (CWM) filed its third status report in this proceeding. The status report is in response to the Board's April 23, 1992 order staying this permit appeal. As part of that stay, the Board ordered CWM to file a status report every 90 days. CWM has previously filed status reports on July 22, 1992 and October 20, 1992.

This third status report recounts the progress being made by CWM and the Illinois Environmental Protection Agency (Agency) on the Agency's review of CWM's November 1991 RCRA Part B permit application. The Board reminds CWM that it has a continuing obligation to submit status reports every 90 days.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21<sup>st</sup> day of January, 1993, by a vote of 6-0.
