ORDER OF THE BOARD (by J. Anderson):

On January 21, 1992, Laidlaw filed a motion for release to it by the Board of certain exhibits contained in the record compiled by the St. Clair County Board and submitted to the Board in the course of this appeal. Without further specification, Laidlaw requests release of all "large" exhibits, i.e. those larger than 8 1/2" x 14". In support of its request, Laidlaw asserts that it may wish to use these exhibits, prepared at its own expense, at other sites or expansions elsewhere in the United States of Canada. Laidlaw notes that the time for appeal of the Board's final order in this matter has run, and that the one appeal which was filed has been voluntarily dismissed. <u>YMCA of Southwest Illinois vs. Laidlaw</u> <u>Waste Systems, Inc. and the Saint Clair County Board</u>, No. 5-91-0784 (5th Dist. No responses have been filed to this motion.

The motion to release exhibits is granted. Laidlaw is directed to contact the Clerk's Office to arrange procedures for the specification and delivery of the exhibits of interest to Laidlaw; Laidlaw shall bear the costs of delivery of the exhibits.

IT IS SO ORDERED.
