ORDER OF THE BOARD (by J. Anderson):

This matter comes before the Board on an April 2, 1992 motion filed by the Illinois Environmental Protection Agency (Agency) to extend the time in which respondent may file its record to May 1, 1992. Petitioner has agreed to extend the deadline for filing the record by 14 days until April 15, 1992. The Board notes that this case is due for decision on July 15, 1992; grant of the full extension requested by the Agency would unacceptably reduce the Board's time for hearing and deliberation of this matter. The Agency's motion to extend the time in which to file its record is hereby granted until April 15, 1992. If the petitioner chooses to waive the Board's decision deadline for a suitable period, the Hearing Officer is authorized to further extend the time for the filing of the Agency's record.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9<sup>th</sup> day of April, 1992, by a vote of 7-0.
