

ILLINOIS POLLUTION CONTROL BOARD
March 11, 1992

IN THE MATTER OF:)

PETITION OF THE ILLINOIS-AMERICAN)
WATER COMPANY FOR AN ADJUSTED)
STANDARD FROM 35 ILL. ADM. CODE 304.124) AS 91-11
(IRON AND TSS ONLY) FOR THE WATER) (Adjusted Standard)
COMPANY'S EAST ST. LOUIS PUBLIC WATER)
SUPPLY FACILITY)

ORDER OF THE BOARD (by R. C. Flemal):

This matter comes before the Board on a motion to further extend the Illinois Environmental Protection Agency's (Agency) response date filed by the Agency on March 4, 1992. Section 106.714 of the Board's procedural rules provides that an Agency response to a petition for adjusted standard is due 30 days after the filing of the petition. The Agency states that Illinois-American Water Company (Water Company) has no objection to the extension.

On January 23, 1992, the Board granted Water Company's motion to extend the time for the Agency to file its response for an additional 30 days. In the instant motion, the Agency asks for an additional 120 days for the filing of its response. The deadline for the Board to render its decision in this matter has been waived by the petitioner.

The Board grants the Agency's motion. The Agency's response is due no later than June 30, 1992 (120 days from the previous due date of March 2, 1992).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of March, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
