ORDER OF THE BOARD (by J.C. Marlin):

In response to the Board's Order of October 24, 1991, on January 23, 1992 M & D filed a joint status report and motion to renew request to extend time to file the Agency's Recommendation. Among other things, M & D reports that this variance request from the Board's RACT rules has also involved a request to USEPA for a revision to the Federal Implementation Plan (FIP), and that USEPA has not as yet made its decision. The Board will extend the time for the filing of the Agency's Recommendation until May 15, 1992, and directs the parties to file a status report on or before April 15, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6<sup>th</sup> day of February, 1992, by a vote of 6-0.
