ORDER OF THE BOARD (by J. C. Marlin):

On February 22, 1993, Safety-Kleen filed a status report in accordance with the Board's January 21, 1993, order. On February 23, 1993, the Illinois Environmental Protection Agency (Agency) also filed a status report in accordance with the Board order.

Safety-Kleen reports that on February 8, 1993, it provided comments on suggested documentation to the Agency in order for the Agency to complete its documentation requirements. Safety-Kleen also reports that it anticipates that the Agency will complete its review of Safety-Kleen comments within the next few weeks. Safety-Kleen anticipates that once the Agency has informed Safety-Kleen of its final documentation needs that Safety-Kleen will voluntarily withdraw this appeal.

The Agency states in its status report that it expects to review the comments provided by Safety-Kleen within forty-five days and hopes to conclude its negotiation with Safety-Kleen at that time.

The parties are directed to file an updated status report on or before April 12, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 25th day of February, 1993, by a vote of 6-0.
