ORDER OF THE BOARD (by B. Forcade)

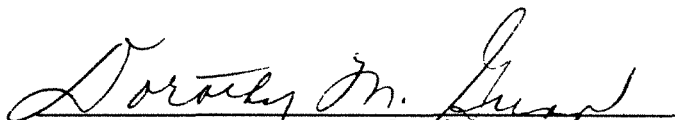

On November 25 and 26, 1991, the Board held inquiry hearings in this matter. Upon receipt of the transcripts the Board opened this matter for public comment. Comments were received from concerned citizens, organizations and industry. The Board wishes to extend its appreciation to those who participated at the hearings and those who submitted comments.

On January 30, 1992, General Motors Corporation filed a motion to incorporate material from a prior proceeding and a motion to allow the appearance of out-of-state attorney, Laura M. Tucker, as counsel on behalf of General Motors. The motion to incorporate requested that selected relevant material from R83-7, In the Matter of: General Motors Corp. Proposed Amendment to 35 Ill. Adm. Code 900.103 and 901.104 be incorporated into R91-25. These motions are hereby granted.

The Agency has informally notified the Board that it is unable to present a proposal to the Board at this time due to limited resources available to the noise program. Because there is no proponent in this matter to carry it forward, the Board will close this docket. Any person presenting a noise proposal to the Board should consider incorporating all or part of the record from R91-25.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 11th day of March, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
