ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on a March 13, 1992 motion to file the record instanter filed by the Illinois Environmental Protection Agency (Agency). This petition was filed with the Board on or about May 20, 1991, and the Agency asserts that it received notice of the petition on May 22, 1991. Pursuant to 35 Ill. Adm. Code 105.102(a)(4), the Agency Record is to be filed with the Pollution Control Board within 14 days "upon notice of the petition". This motion and the record were filed 296 days after the Agency received notice of petitioner's appeal and is 282 days late. The Agency stated that it believes no prejudice has occurred to petitioner due to the delay.

Apart from the question of whether the petitioner is prejudiced, the Board is concerned about the very substantial delay in filing this record. The Board also notes with concern the absence of any earlier motion requesting an extension of time. The Agency's motion to allow filing of the Agency Record Instanter is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 26th day of March, 1992, by a vote of 7-6.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
