ORDER OF THE BOARD (by J. Anderson):

On October 28, 1991, the Illinois Environmental Protection Agency filed a motion on behalf of it and the Village of Channahon asking the Board to dispense with the hearing in this matter. In the motion, the Agency's attorney states that he talked with the two objectors in this proceeding and that they, "...indicated that they were concerned about radium in the water, but expressly chose to go no further or appear at any future hearing on this matter". On November 1, 1991, the Village of Channahon filed a waiver of hearing. On November 6, 1991, the Agency's attorney filed an affidavit in support of the motion. The Board hereby grants the Agency's motion and rescinds its August 22, 1991 Order setting this matter for hearing.

IT IS SO ORDERED.

Board Member J. Dumelle dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of November, 1991, by a vote of 6-1.
