ORDER OF THE BOARD (by G.T. Girard):

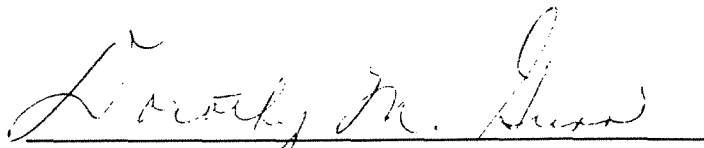

On October 30, 1992, the Agency filed a motion for extension of time in which to file its Recommendation in this matter. The recommendation was due to be filed on November 6, 1992, and the Agency seeks an extension through February 8, 1993. In support thereof, the Agency states that:

A related matter is pending with the Agency. Discussions regarding this related matter may resolve the need for a variance. Dietzgen has filed a waiver of the decision date. Also, Dietzgen's attorneys have represented that they would not object to an extension to file the Recommendation. No one will be prejudiced by this extension. Further, an extension may create more efficient use of resources as this matter may ultimately be dismissed. Therefore, to allow the parties sufficient time to discuss and possibly resolve this matter, an extension until February 8, 1993 is necessary.

The Agency's motion is hereby granted. The recommendation is now due to be filed on or before February 8, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 19th day of November, 1992, by a vote of 7-0.
