ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on its own motion. On April 22, 1993, the Board directed the hearing officer to schedule this matter for hearing, with all hearings to be completed by July 15, 1993. The hearing officer has scheduled a hearing for July 8, 1993.

It has come to the Board's attention that the Illinois Environmental Protection Agency (Agency) has not yet filed its record in this matter. The Agency filed an appearance on November 18, 1991, but has not filed the record or a motion for extension of time to file the record. The Board notes that our procedural rules require that the Agency shall file its record within 14 days of notice of the petition. (35 Ill. Adm. Code 105.102(a)(4).) Thus, the record should have been filed in December 1991. The Agency is directed to file its record by June 14, 1993. Failure to file the record as directed may result in sanctions.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of June, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
