OPINION AND ORDER OF THE BOARD (by M. McFawn):

On May 5, 2000, the parties filed a stipulation and proposal for settlement. The Board accepts the stipulation and proposal for settlement filed by the parties in this matter. The complaint alleged that respondent violated Sections 21(f) and 21(f)(2) of the Environmental Protection Act (Act) (415 ILCS 5/21(f), 21(f)(2) (1998)), and the Board's regulations found at 35 Ill. Adm. Code 725.115(b) and (d), 725.115(b)(4), 725.190(b), 725.191(c), 725.192(a), 725.217(a)(1), by failing to employ proper sampling and handling techniques, failing to keep written sampling, well inspection records, and checklists, and failing to properly maintain groundwater monitoring wells.

Pursuant to Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (1998)), the Board caused publication of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The notice appeared in the *Granite City Journal* on May 11, 2000. The Board did not receive any requests for hearing. Accordingly, the Board grants a waiver from the hearing requirement.

The stipulation and proposal for settlement sets forth the facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Respondent neither admits or denies the alleged violations and agrees to pay a civil penalty of \$20,000. Respondent must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
