Respondent.)

ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board on a motion filed November 19, 1992, by the complainant, the Illinois Environmental Protection Agency (Agency). The Agency's motion requests that the Board grant the Agency either an extension of time, or leave to file instanter the proposal and stipulation and the motion to dismiss Herman L. Loeb. The Agency cites last minute approval delays as cause for the delay in filing.

In its motion the Agency states that the attorney for respondent Johnson has no objection to this motion. In addition, the Agency states that the proposal and stipulation and motion to dismiss are now complete and are on their way to the Board. However, as of today, the documents have not yet been received by the Board.

The Board denies the Agency's motion to file instanter but grants the Agency's motion for an extension of time. The documents must be received by the Board no later than 4:30 p.m. December 16, 1992.

IT IS SO ORDERED.

0137-0527

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of December, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
