ORDER OF THE BOARD (by E.Z. Kezelis):

On June 1, 2000, the complainant filed a stipulation and proposal for settlement accompanied by a motion requesting relief from the hearing requirement of Section 31(c)(1) of the Environmental Protection Act (Act) (415 ILCS 5/31(c)(1) (1998)).

Pursuant to Section 31(c)(2) of the Act, the Board, by order of June 8, 2000, caused publication of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The Board did not receive any requests for hearing. Accordingly, the Board grants a waiver from the hearing requirement.

The Board accepts the stipulation and proposal for settlement filed by the parties in this matter. In its complaint, the complainant alleged that the respondent violated Sections 9(a) and (b) of the Act (415 ILCS 5/9(a), (b) (1998)) and 35 Ill. Adm. Code 201.144, 218.105, 218.204, and 218.211 of the Board's air pollution regulations. Complainant also alleges that respondent violated Special Condition #1(d) of its operating permit number 91080088. Complainant alleges that the respondent committed these violations at its Cook County, Illinois, facility. Respondent denies the violations.

The stipulation and proposal for settlement sets forth the facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Respondent agrees to pay a total civil penalty of \$75,000. Respondent must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
