ORDER OF THE BOARD (by J. Anderson):

Pursuant to the Board's Order of September 12, 1991, on December 11, 1991, Waste Management of Illinois, Inc. (WMI) filed a status report "with the consent of" the Agency. WMI reports that the parties "have met and have resolved the issue pending before the Board in principle. . . [and] are currently in the process of working out the details of a settlement." WMI proposes that the parties file a further status report no later than February 10, 1992.

The Board notes that there is an open waiver in this case. The parties are accordingly directed to file a status report on or before February 10, 1992, although the Board encourages completion of this action prior to that date.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19th day of December, 1991, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
