ORDER OF THE BOARD (by J. C. Marlin):

On April 25, 1991 the Complainants filed an Amended Formal Complaint with the Board. The filing came in response to a Board Order dated April 11, 1991 to file an amended complaint which set forth the location of the compost facility in question with greater particularity. On May 17, 1991 the Respondents filed a Motion to Make More Definite and Certain alleging that more facts are needed concerning the dates, events and nature of the alleged violations.

The Complainants have complied with the course of action ordered by the Board. As the Board believes the matters now complained of by Respondent are more appropriate for discovery and because our review of the Amended Formal Complaint leads us to conclude that it is pleaded with sufficient particularity, the Respondent's motion is denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6<sup>th</sup> day of June, 1991 by a vote of 7-0.
