ORDER OF THE BOARD (by J. C. Marlin):

On September 30, 1991, the Agency filed a motion for a 60 day extension of time in which to file its record in this matter. The Agency seeks the extension to allow it and Monsanto to pursue negotiations, and the Agency further asserts that Monsanto has no objection to its request.

Decision in this matter is presently due on January 11, 1992, as no waiver of the decision deadline has been filed. Accordingly, the motion is denied. However, should Monsanto decide to waive the decision deadline, the Hearing Officer is authorized to grant an extension of time for the filing of the Agency record in addition to other extensions of time as previously authorized by the Board's set for hearing Order of September 26, 1991.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10<sup>th</sup> day of October, 1991 by a vote of 6-0.
