ORDER OF THE BOARD (by R.C. Flemal):

On December 3, 1990 the Illinois Environmental Protection Agency ("Agency") filed a motion to further extend the time for it to file its recommendation in this matter; the Agency now requests that the recommendation due date be extended to December 21, 1990.

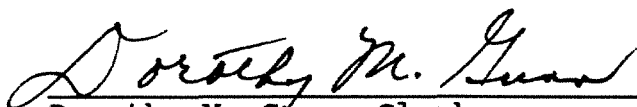

On December 10, 1990 Modine Manufacturing Company filed a response noting, among other matters, that it finds an extension of time acceptable and that it has no objection to grant of the Agency's motion. The Board notes that this matter is not due for decision before May 23, 1991.

In light of these considerations, the Agency's motion is hereby granted.

As a further matter, the Board notes that three objections were filed with the Board by private citizens on December 18, 1990. An Order setting this matter for hearing has already been adopted by the Board (October 25, 1990). The Board directs the Hearing Officer to notify the objectors of the hearing dates in accordance with the requirements set forth in the Board's procedural rules (35 Ill. Adm. Code 104.200(b)).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
