ORDER OF THE BOARD (by J. Anderson):

On August 31, 1990, the Illinois Environmental Protection Agency ("Agency") filed comments in this docket. The Agency states that such comments relate to proposed Subpart E: Manifests, Records and Reporting, and describe potential problem areas with the proposed rules.

At the outset, the Board notes that the public comment period in this docket ended some months ago, and that the regulations were filed with the Secretary of State on August 15, 1990. Because the regulations became effective on the date that they were filed (Ill. Rev. Stat. 1989, ch. 127, par. 1005.01(c)), the Board can no longer consider such comments in this docket. The Agency is free, of course, to submit a new rulemaking proposal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the  $\sqrt{37}$  day of  $\sqrt{37}$ , 1990, by a vote of

Dorothy M. Gunn, Clerk

Illinois Pollution Control Board
