101.103(d) TO REQUIRE USE OF ) (Rulemaking)

FILED WITH THE BOARD )

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on petitioner Business and Professional People for the Public Interest's (BPI) response to the Board's December 4, 1990 order. In that order, the Board accepted BPI's petition for rulemaking, construed BPI's request for oral argument as a request for hearing, and set forth three issues upon which it desired comment. On December 6, 1990, BPI filed its comments in response to the Board's order. BPI withdraws its request for oral argument, submits responses to the three questions, and asks that the Board adopt the proposed rule promptly.

Since BPI has withdrawn its request for oral argument, the Board will not, at this time, schedule a hearing on this proposal. In order to allow all interested parties to comment on the proposal, however, the Board will establish a comment period. In addition to the issues raised in BPI's proposal, and any other issues which commenters wish to discuss, the Board requests comment on three issues:

1. Whether the photocopiers generally used by those appearing before the Board are compatible with recycled paper;
2. Whether the scope of the proposal should be expanded to include documents filed by organized environmental and trade groups, whether or not those groups are represented by attorneys; and
3. What sanctions should be imposed for failure to comply with required use of recycled paper.

All written comments shall be received by the Board no later than Friday, January 18, 1991. In addition to filing comments with the Board, copies of all comments shall be sent to the following, pursuant to 35 Ill.Adm.Code 102.320:

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1990, by a vote of 7-0.
