ORDER OF THE BOARD (by B. Forcade):

On May 17, 1990, the City of Ottawa ("Ottawa") filed a petition for variance from radium for its facility located in Ottawa, Illinois.

Ottawa, in its petition, page 2, paragraph 2, requests that the Board incorporate the entire record of a prior proceeding. That request is denied. The Board will incorporate by reference all prior Board Opinions and Orders. Ottawa may "upon separate written request" incorporate portions of the prior record consistent with the procedural rules at 35 Ill. Adm. Code 101.106, by providing four copies of such information with the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of May, 1990, by a vote of 7-0.
