ORDER OF THE BOARD (by R.C. Flemal):

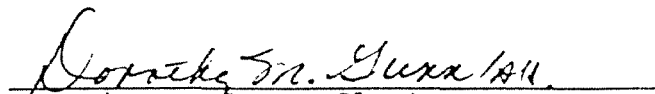

By Order of July 3, 1990, the Board requested the parties to present their views on how to proceed in this matter. This is a permit appeal, in which on March 9, 1990 the Fifth District Appellate Court reversed and remanded the Board's March 5, 1987 decision. The Board received two responses, one filed by Wells on July 27, 1990, and one filed on behalf of the Agency on August 3, 1990. The Board has also received three letters of comment on July 25, July 27 and August 8 from non-parties.

In reviewing these filings, the Board cannot be certain as to who is presently authorized to represent the Agency's views, given the age of the case. Additionally, neither filing presents a legal analysis explaining how the suggested course of proceeding is consistent with, and in furtherance of, the Appellate Court's mandate.

The parties are requested to make appropriate filings responsive to this Order to be received by the Board on or before September 30, 1990.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 30<sup>th</sup> day of August, 1990, by a vote of 7-0.
