ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Board upon a motion to consolidate filed by the respondent, Waste Hauling, Inc., on October 5, 1989. Waste Hauling requests that the Board consolidate the two above-captioned administrative citations for purposes of hearing.

Due to the potential confusion that may result in consolidating these two separate administrative citations, the Board declines to consolidate them for hearing. However, the Board does agree with respondent that the interest of the parties are best served when multiple hearings and the additional expenses attendant thereto are avoided. To that extent, the Board will reassign these two cases to one hearing officer to handle both hearings. The Board directs the hearing officer to schedule these hearings consecutively at the same location to the extent that is possible. Each proceeding should be transcribed separately and the record should be fully developed in each.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of October, 1989, by a vote of 7-0.

Dorothy M. Gunn, Clerk,
Illinois Pollution Control Board
