ORDER OF THE BOARD (by B. Forcade):

On August 30, 1990, the City of Genoa filed a petition for variance from the public water supply rules, namely 35 Ill. Adm. Code 602.105(a) and 602.106(b), but only to the extent those rules involve 35 Ill. Adm. Code 604.301(a) radium. The Board will hold this matter pending a recommendation from the Illinois Environmental Protection Agency.

The City of Genoa, in paragraph 27, page 8 of its petition, requests that the Board incorporate certain testimony and exhibits from the record of a prior proceeding, R85-14. That request is denied. The Board will incorporate by reference prior Board Opinions and Orders. Petitioner may "upon separate written request" incorporate portions of the prior record by filing four copies with the Clerk, consistent with the procedural rules at 35 Ill. Adm. Code 101.106.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 30th day of August, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
