ORDER OF THE BOARD (by J.D. Dumelle):

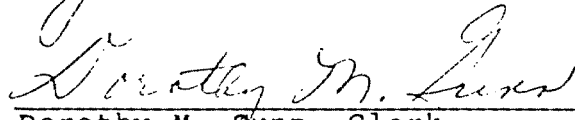

This matter comes before the Board upon an April 28, 1989, motion to correct transcript filed by the Respondent, Koppers Company, Inc. (Koppers). Koppers requests correction of the testimony of Mr. Callan, who testified that the approximate cost of an environmental control program is six hundred thousand dollars (\$600,000.00). The transcript, however, reports the amount as six hundred dollars (\$600.00). Because it believes that the cost of the environmental control program is relevant and significant, Koppers requests that the Board grant its motion to correct page 232 of the March 15, 1989 transcript to reflect the correct amount of \$600,000.00.

No responses to the motion has been filed.

The Board hereby grants Koppers' motion.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11<sup>th</sup> day of May, 1989 by a vote of 7-0.
