PERMIT FOR LOYOLA UNIVERSITY )

ORDER OF THE BOARD (by J. Marlin):

In SB 1771, P.A. 85-1145, effective July 29, 1988, the General Assembly approved the transfer of certain submerged land beneath Lake Michigan to Loyola University. Loyola has submitted applications for necessary permits for a "lakefill" project with the Army Corps of Engineers (Corps) and the Illinois Department of Transportation (IDOT). Given the degree of public interest in this matter, IDOT and the Corps are holding a joint public hearing. In the interests of administrative economy, the Board will join in conducting this hearing as well. The Board, with the concurrence of the Chairman, appoints as its hearing officer in this matter Mr. Richard Christopher, of the IDOT Office of Chief Counsel.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2nd day of February, 1989, by a vote of 7-0.
