ORDER OF THE BOARD (M. Nardulli):

On December 16, the Trojan Corporation responded to the Board's November 29, 1988 request for more information by filing an amended petition for variance. The Board notes that the amended petition fails to correct the deficiencies in the original petition and therefore the Board refuses to accept the amended petition as a petition for variance. The information requested is necessary to ensure that the Petitioner is prepared to present a case at hearing and to allow the Agency to prepare for hearing and to prepare a useful recommendation. Unless an amended petition is filed within 45 days of the date of the Order of November 29, 1988, curing the noted defects, this matter will be subject to dismissal, pursuant to 35 Ill. Adm. Code 104.125. When a sufficient amended petition has been received by the Board, the statutory decision deadline will restart.

IT IS SO ORDERED.

Illinois Pollution Control Board
