ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon receipt of an Agency Recommendation dated October 5, 1988. The recommendation refers to a request from Petitioner, MAECORP Incorporated, for a 30 day provisional variance from the 90-day on-site limitations for hazardous wastes set forth at 35 Ill. Adm. Code 722.134(b).

Upon receipt of the request the Agency issued its recommendation, concluding that the hazardous wastes must remain on-site for longer than 90 days due to unforeseen, temporary and uncontrollable circumstances and failure to grant the requested 30-day provisional variance would impose an arbitrary or unreasonable hardship on Petitioner.

The Board concurs with the Agency Recommendation; Petitioner is granted a provisional variance from 35 Ill. Adm. Code 722.134(b) from September 19, 1988 until October 19, 1988.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the <u>6</u> day of <u>Orlocer</u>, 1988 by a vote of <u>7-0</u>.
