ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon receipt of the Illinois Protection Agency's Agency Recommendation dated September 7, 1988. The Recommendation sets forth the relevant data as set forth below.

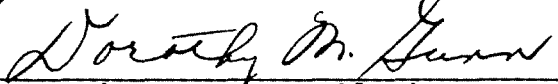

On August 26, 1988 the Agency received Petitioner's request for extension of the 90-day on-site storage limitation for hazardous waste set forth at 35 Ill. Adm. Code 722.134(b). The Petitioner avers that unforeseen, temporary and unforeseeable circumstances necessitate that an extension be granted; and that under the circumstances it would create an arbitrary and unreasonable hardship if such an extension were not granted.

The Illinois Protection Agency concurs, recommending that Petitioner be granted the requested extension pursuant to 35 Ill. Adm. Code 722.134(b) until September 26, 1988.

The requested provisional variance is granted until September 26, 1988.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8th day of September, 1988 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
