SUPPLEMENTAL ORDER OF THE BOARD (by B. Forcade):

Petitioner, Marathon Petroleum Company ("Marathon"), by a motion filed September 6, 1988, has requested the Board to modify its Opinion and Order of January 23, 1986. Marathon cites the continued pendency of its petition for a site-specific rule change in R87-2 in support of its motion. The September 19, 1988 response indicates that the Illinois Environmental Protection Agency ("Agency") does not object to the requested modification of the January 23, 1986 Opinion and Order.

For the foregoing reasons, the paragraph numbered "4" on page 7 (67 PCB 519) of the Opinion and Order of January 23, 1986 is hereby modified to read as follows:

4. Should the Board deny the Marathon-requested relief in the site-specific rulemaking proceeding docketed as R87-2, Marathon shall submit within 60 days of such denial, a plan to the Agency to come into full compliance by the expiration date of the variance.

This Supplemental Order modifies no other portions of the January 23, 1986 Opinion and Order of the Board.

IT IS SO ORDERED.

Chairman J.D. Dumelle concurred.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the $\frac{22^{nd}}{7-0}$ day of ________, 1988, by a vote of $\frac{7-0}{7-0}$.

Dorothy M. Gunn, Clerk
