ORDER OF THE BOARD (by R.C. Flemal):

On September 7, 2000, Community Landfill Company and City of Morris (collectively, petitioners), filed these permit appeals regarding conditions included in the Illinois Environmental Protection Agency's (Agency) issuance of two significant modification permits for the Morris Community Landfill. On September 11, 2000, petitioners filed a motion to consolidate the appeals and a motion to stay the contested permit conditions (motion to stay). On September 21, 2000, the Board granted the motion to consolidate and deferred ruling on the motion to stay.

On September 25, 2000, the Agency filed a motion for extension of time to file the administrative record, a motion for leave to file *instanter* the response to the motion to stay, and a response to the motion to stay. The Board grants the motion to file the response *instanter* and denies the motion for extension of time to file the administrative record. The Agency must file the administrative record within seven days of this order, on or before October 12, 2000. The Board defers ruling on the motion to stay.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5th day of October 2000 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
