ORDER OF THE BOARD (by B. Forcade):

On January 21, 1988, General Tire filed a motion for reconsideration of the Board's December 17, 1987, Opinion and Order in this matter. General Tire also requests that the Board postpone ruling on the motion to reconsider pending the filing of additional materials. General Tire asserts that it is meeting with the Illinois Environmental Protection Agency ("Agency") in an attempt to resolve certain disagreements. On February 25, 1988, the Agency filed a response agreeing that disposition of the motion for reconsideration should be postponed until the parties can explore the issues involved.

The Board will deny the motion for reconsideration. Any new factual information would be more appropriately filed as a new variance petition. General Tire is, of course, free to file a variance petition at any time.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of March, 1988, by a vote of 6-1.
