ORDER OF THE BOARD (by J. Theodore Meyer):

On February 10, 1988, the Illinois Environmental Protection Agency (Agency) filed a motion for leave to file its recommendation in this case instanter. The motion states that the Agency was unable to complete its recommendation within the required time due to the scope of investigation necessary in this case and the press of other business. The motion further submits that the late filing is not for purposes of delay and will not prejudice petitioner Lake County Public Works Department. The motion for leave to file variance recommendation instanter is granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25<sup>th</sup> day of February, 1988, by a vote of 7-0.
