ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon Petitioner's Petition for Variance, filed November 30, 1987. The Petition is deficient in several respects: failure to include a compliance plan; failure to specify the exact dates of the variance; failure to identify past efforts of compliance; failure to allege facts justifying the variance. There are other deficiencies in addition to those listed above. Petitioner is referred to 35 Ill. Adm. Code Section 104.121 for a list of the requirements in a petition for variance.

Accordingly, this matter is dismissed without prejudice. Petitioner may file a new petition curing the above-noted deficiencies.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3rd day of December, 1987 by a vote of 7-0.
