ORDER OF THE BOARD (by C.A. Manning):

On October 16, 2000, the People of the State of Illinois filed a one-count complaint against the respondents. The complaint alleges respondents violated Section 12(f) of the Environmental Protection Act (Act) (415 ILCS 5/12(f) (1998)) and the Board's water pollution regulations at 35 Ill. Adm. Code 309.102(a) by failing to obtain a National Pollutant Discharge Elimination System (NPDES) permit for the construction site and causing a discharge of contaminants into waters of the State without an NPDES permit. The complaint alleges that the violations occurred at Northern Lights subdivision, located in the Village of Bradley, Kankakee County, Illinois. The Board accepts this matter for hearing.

The Board directs that this matter proceed to hearing as expeditiously as practicable. The assigned hearing officer must set the matter for hearing in accordance with the requirements of the Act and the Board's procedural rules. Accordingly, this matter must be set for hearing within 90 days after the filing of the complaint unless the hearing officer, after appropriate consultation with the parties, determines that a later date is appropriate and that no undue delay or material prejudice in the resolution of this matter would result. See 35 Ill. Adm. Code 103.125(a). In any event, it is the responsibility of the hearing officer to guide the parties toward prompt resolution or adjudication of this matter, through whatever status calls and hearing officer orders he determines are necessary and appropriate.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of November 2000 by a vote of 7-0.
