ORDER OF THE BOARD (by C.A. Manning):

On October 27, 2000, the People of the State of Illinois filed a two-count complaint against the respondents. The complaint concerns respondents' management of perchloroethylene at two separate facilities. The complaint alleges respondents failed to maintain records, failed to conduct inspections, failed to monitor and record results, and failed to have design specifications and manuals at its dry cleaning facilities located at 1821 Charleston Avenue, Mattoon, Coles County, Illinois and 1409 North Bowman Avenue, Danville, Vermilion County, Illinois. These activities were in alleged violation of Sections 9(b) and 9.1(d) of the Environmental Protection Act (Act) (415 ILCS 5/9(b), 9.1(d) (1998)), Sections 63.322(a), (k), 63.323(a)(1), and 63.324(d)(1), (d)(2), (d)(3), (d)(4), (e) of the National Emission Standards for Hazardous Air Pollutants (40 C.F.R. § 63.322(a), (k), 63.323(a)(1), and 63.324(d)(1), (d)(2), (d)(3), (d)(4), (e)), and special conditions 6, 8, and 9 of respondents' operating permit. The Board accepts this matter for hearing.

The Board directs that this matter proceed to hearing as expeditiously as practicable. The assigned hearing officer must set the matter for hearing in accordance with the requirements of the Act and the Board's procedural rules. Accordingly, this matter must be set for hearing within 90 days after the filing of the complaint unless the hearing officer, after appropriate consultation with the parties, determines that a later date is appropriate and that no undue delay or material prejudice in the resolution of this matter would result. See 35 Ill. Adm. Code 103.125(a). In any event, it is the responsibility of the hearing officer to guide the parties toward prompt resolution or adjudication of this matter, through whatever status calls and hearing officer orders he or she determines are necessary and appropriate.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of November 2000 by a vote of 7-0.
