THE JOINT PETITION OF THE) PCB 86-6
CITY OF WOOD RIVER AND)
THE ILLINOIS ENVIRONMENTAL)
PROTECTION AGENCY FOR EXCEPTION)
TO THE COMBINED SEWER OVERFLOW)
REGULATIONS)

INTERIM ORDER OF THE BOARD (by J.D. Dumelle):

In reviewing the record in this proceeding, the Board has determined that additional information is needed in order to adequately evaluate the joint petition for exception. The joint petitioners are requested to address the following matters and submit responses no later than July 30, 1987.

Please provide detailed information on the following:

- a) ownership and any other legal interests, present or future, in the Amoco lagoons;
- b) the actual utilization of the Amoco lagoons, including but not limited to: total capacity, present contents (amount, nature, and source), and frequency and volume of use in relation to capacity, i.e. how much of X substance is stored for how long;
- c) any agreements by or with Wood River as to ownership or usage of these lagoons in the future, and if so the nature and duration thereof;
- d) any known plans for the future usage of the Amoco lagoons;
- e) assuming the Amoco lagoons could be used to store the first flush for later treatment at the treatment plant, what improvements or alternatives would be necessary?

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of July, 1987 by a vote of 6-0.
