ORDER OF THE BOARD (by R. C. Flegal):

This matter involves a three-count complaint filed by the Illinois Environmental Protection Agency ("Agency") on April 14, 1986. The complaint alleges that Chicago Steel Container Corporation ("Chicago") has violated Sections 9(a) and (b) of the Environmental Protection Act and Sections 201.142, 201.143, 215.121, 215.204(j), 215.212, and 215.213 of the Board's air pollution regulations.

Hearings were conducted in this matter on September 4 and 18, 1986. At the latter hearing, the parties incorporated into the record an unsigned copy of a stipulation they had tentatively entered into. It was anticipated that a signed copy would be received by the Board shortly thereafter.

By Order of April 30, 1987, the Board noted that it had still not received a signed copy of the stipulation, and further noted that if the signed copy was not received by June 1, 1987, the Board would assume that this matter is not settled and would order that an additional hearing be set.

As a signed copy of the stipulation has yet to be received, the Board today directs the Clerk to schedule an additional hearing in this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of July, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
