 Respondent.)

ORDER OF THE BOARD (by B. Forcade):

On August 14, 1987, the City of East Moline filed a Petition for Variance, seeking relief from regulations on restricted status and standards for permit issuance as those regulations pertain to limitations on trihalomethane. That petition is deficient in that it fails to provide:

A detailed description of the proposed equipment or proposed method of control to be undertaken to achieve full compliance with the Act and regulations, including a time schedule for the implementation of all phases of the control program from initiation of design to program completion and the estimated costs involved for each phase and the total cost to achieve compliance.

Unless an amended petition is filed within 45 days of the date of this Order, curing the above-noted defect, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of August, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
