CONCURRING OPINION (by B. Forcade):

I concur in today's decision to send the majority's conceptual ideas regarding an emergency rule out for a brief public comment. I continue to totally disagree that there is an adequate basis for an emergency rule. I continue to totally disagree with nearly every substantive provision of the proposed emergency rule. My objections have been detailed in my dissenting opinions of June 11, 1986, and October 2, 1986. To conserve paper, time and limited mailing resources, I will not repeat those objections here.

Member of the Board

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Concurring Opinion was submitted on the 9th day of Column, 1986.

Dorothy M. Gunn, Clerk
